111	WF158	BPW	 The image shows two technical drawings of brake pads. The left drawing is a side view of a single pad, showing a curved shape with a central vertical groove and a small protrusion at the top center. The right drawing is a top-down view of a pair of pads, showing their symmetrical, curved profiles and the central mounting tabs.	210.9x103.9x29.0 210.9x117.0x38.5
